#### REHOBOTH PICNIC.

Rose Cottage" Writes of Sunday School Picnic. Sunday School Convention at Bold Spring.

Last Saturday there was a Sunday school picnic at Rehoboth. The day was beautiful and bright, and quite a number gathered in the grove to spend the day pleasantly together. We all met in the church about 11:30 o'clock and had songs and prayers and the reading of the cripture, after which speeches were made by Messrs. Cogburn, They were very helpful and inspir ing. We all went to the grove again where a dinner was spread as only the people of Rehoboth can spread. Ice lemonade was served to all. The ladies missionary society met in the church in the afternoon. While they were in session the young people had a good time talking and laughing. The older men talked of the crops and weather. We congratulate superintendent J. D. Hughey on the splendid arrangement for the day.

Rehoboth is one of the very best communities in all the state. We fell in love with Rehoboth people about 18 years ago, and our love grows stronger and stronger for them as the years go by. Many changes have taken place in these years, many dear ones are gone, yet their sons and daughters have risen up to take their place, and the work moves on.
